Enware-Oras Electra Goose Neck Sensor Tap with Temperature Adjuster - 170mm Reach

ENM6323

The Electra Goose Neck range from Enware-Oras combines advanced electronic auto-focus technology with N ordic design and engineering. High in quality and easy to use. A perfect choice for all commercial 'Hands Free' washroom applications especially when a higher and longer spout is desired such as health applications. The small lever on the side of this tap allows users to adjust temperature providing a more versatile sensor activated solution for bathrooms or kitchens.

FEATURES

- Auto-focus infrared sensing technology with triangulation for a more consistent, reliable operation
- Improved user friendliness with intelligent activation and after-flow technology
- Low power consumption
- Electronics have IP67 rated protection against water and humidity
- Temperature adjustment lever for user control
- 170mm reach fixed spout
- 12V Mains supply or 6V battery operated models
- Single point fixing (not recommended for vandal prone applications)
- Supplied with WELS 6 Star (5.5lpm) water efficiency rating as standard
- Sensor can be programmed on site for various functions: intelligent afterflow 1, 2, or 8 sec, periodic flush every 24hr or 72 hr, and reduced sensitivity mode.

Product Code

ENM6323	Mains Powered - 6 Star WELS Rating (5.5lpm)
ENM6353	Battery Operated - 6 Star WELS Rating (5.5lpm)

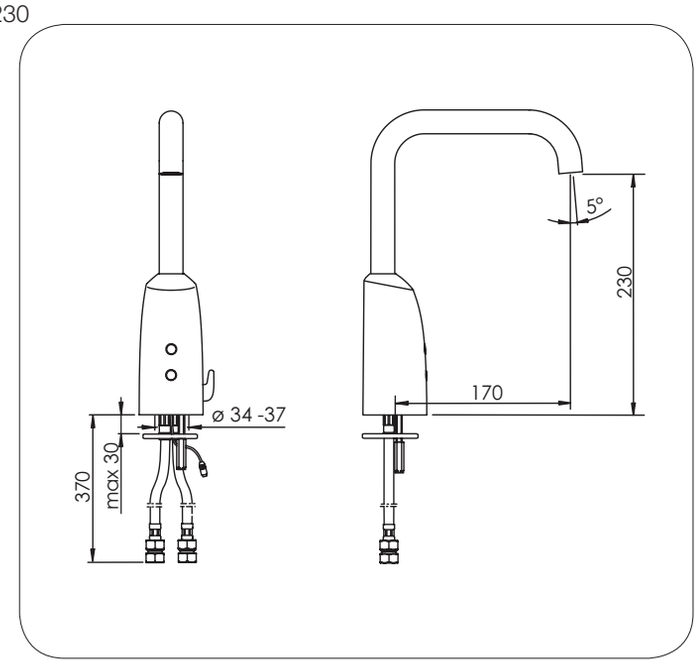

OPTIONS

- Single temperature model
- For alternate spout lengths please contact Enware
- Mains Power transformer with 4.5m lead - order code ENMS230

Technical Information

Connection	3/8" & 1/2" BSP Flexi Connector
Recommended Working Pressure	100 - 500kPa
Maximum Operating Temperature^	70°C
Sensor Range	Optimally Preset using Auto-Focus technology
Mains Powered	12V transformer with 2m lead Input:100-240V~50/60Hz Output:+12V DC 1000mA
Battery Powered	6V Lithium 2CR5 battery Battery life guide: 4 ± 1 years
Protection Class	IP 67
Max Continuous Flow Period	2 Minutes

^ Enware tapware must be installed in accordance with the provisions of, AS/NZS3500 and any relevant local regulations. Installations not complying with AS/NZS3500 may void the product and performance warranty provisions. Heated Water supply AS/NZS 3500.4.
