

# quadrasan

mvp urinal & toilet sanitiser dispenser

**The Quadrasan system is an automatic cleaning and dosing system that provides continuous programmable maintenance ensuring toilet and urinal fixtures remain clean and odour free.**

Through its secure and ultra modern design, the highly effective Quadrasan® MVP dispenser is designed to work in a variety of locations without disrupting the surrounding environment.

Fully programmable dispenser allowing you a choice of number of refills per year; 6, 8, or 12 hour operation; choice of start and end time; days off selection feature; choice of days of operation (5, 6, or 7).

Patented "I.P.E" facility enables users to programme period per day of enhanced dosing delivery for busier periods.

Countdown clock showing time until next dose.

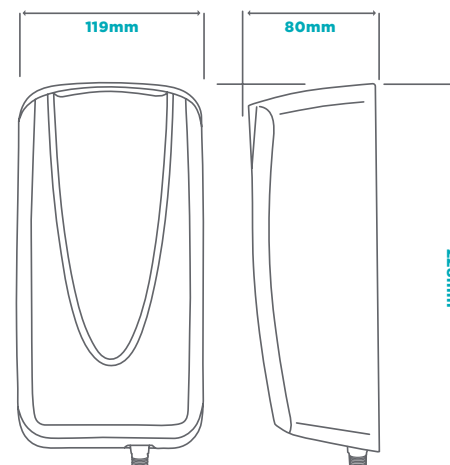

Non-return valve for compatibility with pressurised systems.

Quadrasan® refills are available in biological and chemical formats.

Each Quadrasan® 310ml refill produces 3000 metered doses, keeping your toilet or urinal fresh and clean 24/7.

#### **Options:**

Quadrasan 300: citrus fragranced  
Quadrasan Biosolve

**Hands Free Hygiene**
